Express Parcel Information

Items ship in 5 working days via parcel service. Parts (non-warranty) listed below will be shipped in 5 working days from receipt of your order confirmation. Orders with items not meeting express parcel criteria listed below will be placed for normal production without prior customer notification. Due to time restrictions, no order changes or modifications are allowed.

2020 Design Users

Do not use this form as a cover sheet for *2020/Design Flex* standard reports (Item List, Quote, etc). Instead, please download the *W. W. Wood Products Order Form* specifically customized for our product lines for installation and use in *2020/Design Flex*. Once installed in *2020/Design Flex*, the *W. W. Wood Products Order Form* creates one single document that can be submitted as an order without the need for a separate cover sheet, avoiding potential conflicting information. Download our *W. W. Wood Products Order Form* and its tutorial video from our *Customer Portal* under *Resources*. Or, email 2020catalogs@wwinc.com for assistance.
